ELNEC Attribution Statement: Copyright City of Hope and American Association of Colleges of Nursing, 2006; Revised September 2017.

The End-of-Life Nursing Education Consortium (ELNEC) Project is a national end-of-life educational program administered by City of Hope (COH) and the American Association of Colleges of Nursing (AACN) designed to enhance palliative care in nursing. The ELNEC Project was originally funded by a grant from The Robert Wood Johnson Foundation with additional support from funding organizations: Aetna Foundation, Archstone Foundation, California HealthCare Foundation, Cambia Health Foundation, Milbank Foundation, National Cancer Institute, Oncology Nursing Foundation, Open Society Institute/Foundation, Stupski Foundation, US Cancer Pain Relief Committee and the US Department of Veterans Affairs. Further information about the ELNEC Project can be found at www.aacnnursing.org/ELNEC.

UAMS Accreditation Statement: In support of improving patient care, University of Arkansas for Medical Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team. Credit Designation statement: American Nurses Credentialing Center (ANCC) The University of Arkansas for Medical sciences designates this live activity for a maximum of 22 contact hours. Nursing contact hours will be awarded for successful completion of program components based upon documented attendance and completion of evaluation materials.
